COMPASS CARES

VACCINATION ON 11th and 12th June

Friends.. since few members are wanting to avail vaccination facility for more than five persons and many have not yet registered any person, we are opening the option of multiple forms by one member for vaccination.

Please note, this is first cum first facility. Members now have option to register any number of persons. Please register NOW if you have to register for you, family members, staff and their family members.

I am not allowing any of my staff to come for work from 15th June if they are not vaccinated. Advise same to all.

Thanks
