## President's Message

Dear Members

It has been my privilege to lead this prestigious Association for last two years and I thank all the members to have faith on me for such a herculean task.

It is an old adage that change is the only constant, and who else knows it better than our members involved in the business of Information and Technology. Last two years, I feel have been most turbulent for our industry. We have experienced for the first time and hopefully it is the last time, longest ever lockdown and total chaos & uncertainty. We experienced the biggest ever shortage in supplies due to short supply of semiconductors.

I feel we were being tested, not to show our weakness but to discover our strengths. With every testing moment, our industry has bounced back to a greater height with wider reach, higher demand and deeper penetration. IT industry has evolved more than ever earlier. Penetration of Gaming, Automation, Electronic Security, IP telephony, smarter offices and institutions, web-based entertainment all have helped our industry to grow to a height which was never before.

Our members have grown phenomenally in the traditional business of trading and along with it have evolved in value addition in every sphere of the industry.

Service, Support, Consultancy, Installation, Maintenance, Upgrade, Development in every sphere of technology has thrown open huge opportunity for our members and they have grabbed it well & grown.

We have added 15 members in last 2 years organically without any campaign or promotions. We have been able to successfully shift our office to the heart of IT market on GC avenue and going to develop it as a state-of-the-art office with a conference facility and best of the modern amenities. We are also planning to build work stations and enable our association to more than cover its day to day expenses.

We have an exclusive individual chairman for System Integrators, Software & Digital Market, Gaming and Mobile phones giving well deserved importance and attention to typical requirements of every wing of IT. Association has moved towards inclusiveness and not in isolation but a lot of work is left for growing more confidence in the association by the members in non-conventional IT business.

Revenue model of Newsletter as a concept has been successfully established. Our Whatsapp group has brought all the members together under one platform for easy communication and sharing. Compass Premier League proved again that sports are a great unifier not only while playing but from conceptualising to planning and to execution. Members participated with great enthusiasm.

COMPASS IS synonym with COMPASS TECH FAIR. Version 2022 was organized again after 5 years. Members and citizen participated this long-awaited demonstration of technology with full enthusiasm.

Friends, something has been done but there is a lot to do. IT industry in particular and community at large have huge expectation from COMPASS and I am happy that the Association is moving in the hands of very capable and experienced Generals who would be furling the COMPASS flag on top of peaks of greater heights.

At the end, I would like to again thank all Office Bearers and Executive Committee members for their support. My special thanks goes to all the Past Presidents for standing by me and encouraging me in every decision I took.

Thank you so much.

**Sanjay Chhajjer**

## COMPASS 2022 - The Tech Fair

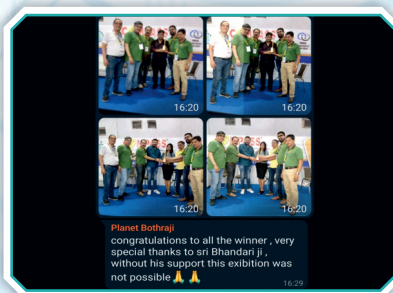

Chairman - **Vibhor Khandelwal**

Held on 20th-24th April 2022, at Science City, Kolkata

COMPASS Tech Fair 2022, was a full sold out Financially rewarding Event by Compass, even though we organized an event after couple of years , we got a great enthusiastic response from all the participants. It was first time COMPASS did an event within someone else's banner, and as a part of being with multiple other Industries. As per information provided by CWBTA , it was till dates West Bengal's biggest expo, and COMPASS was proud to be part of it and contributing to its success.

We were surprised , that the pillars of IT industry , all big giants like HP, DELL, LENEVO, ASUS, ACER, EPSON and likes have not come forward for participation in the event, even though till date all COMPASS events were always supported and participated by these brands to make it a success. In respect to this, COMPASS -Tech Fair 2022 was an exception which proves the strength of COMPASS and its members.

AMD was the main sponsor of the event, As Chairman of the Exhibition , I would specially like to thanks Convenor - Exhibition Mr. Aranya Biswas & Mr. Sandeep Jain, our Secretary Mr. Anup Agarwal and off course our President Mr. Sanjay Chajjer and all senior members without support and Guidance of whom , this event wouldn't have been possible.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF COMPUTER ASSOCIATION OF EASTERN INDIA

#### Report on the Audit of the Financial Statements

##### Opinion

We have audited the Financial Statements of COMPUTER ASSOCIATION OF EASTERN INDIA ("the Association"), a company licensed to operate U/s 25 of the Companies Act, 1956 (vis-a-vis section 8 of Companies Act, 2013) which comprise the Balance Sheet as at 31st March, 2022, and the Statement of Profit and Loss for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022 and profit for the year ended on that date.

##### Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

##### Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position and the financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
